

IBR New Puppy Supply List

Crate

should be big enough to turn around and stand up but not so big that they feel like they can pee in it. Needed for car transport unless using harness and seat belt.

Puppy Kibble

Most of our puppies are on **Purina Pro Plan Puppy Chicken and Rice**. They should stay on this for at least a few weeks before you transition them to a different puppy food.

Bowls

a water bowl that doesn't tip over

Snuffle Mat or Slow Feeder

This will help them slow down and not eat too fast.

Toys

Balls, teething toys, kong, benebone, and tuffy are nice and durable

Training Treats

to start training teaching commands

Bed

waterproof kong crate mat or other

Harness, Collar, Leash, Tether

tether is used to attach to harness and seatbelt in the car

Pee Pads

it may be helpful to get a pack to have on hand for a rainy day... literally.

Poop Bags

for walks or home
